Honourable Premier Kenney,

Thanks you for your statement regarding the blockade here at Coutts. There are several things we disagree on but the Critical Infrastructure Defence Act is an area where we are in total agreement. I have a vantage point from my living room from where I can watch the constant flow of trucks and trains carrying billions in goods north and south 24/7/365. Many folks do not understand the importance of this link. We who live here do.

Again thanks to you and Minister Savage for the quick action .

Sincerely

Jim Willett
Mayor Village of Coutts
